Thanks Ilana, I will review your suggested changes and comments prior to our call this afternoon.

I think it will facilitate our conversation today and expedite my edits if you send me your comments to the AOC in Word.

Also, I am about to send you an email pursuant to my voicemail yesterday.

Confidential Settlement Communication, Subject to Federal Rule of Evidence 408

Sheila,

Attached please find Statoil's comments to EPA's draft settlement agreement and order on consent.

I've also included updated versions of the plans pertaining to current site activities. There may also be a groundwater sampling plan -- I'm running that to ground. (Perhaps JJ knows?)

Speak with you tomorrow at 12:30 ET/11:30 CT. I'll call your office line.

Thanks,

Ilana
